The PHA SEMAP score for FY 18 was 95%. • The PHA continues to encourage new landlords to participate in the Housing Choice Voucher program. Staff is readily available to answer questions regarding the program and the role of the landlord in making the program accessible to low-income families. An available units listing is maintained and updated constantly in an effort to supply new Voucher holders with information regarding available units. The Housing Authority maintains informational handouts to provide to both landlord and tenants regarding the program. Staff conducts quarterly landlord engagement sessions where current and prospective landlords are invited to attend informational sessions about the Housing Choice Voucher program. • During the period of the previous Five-year PHA Plan, there were 8 families who graduated from the FSS program during this period, which resulted in escrow fund distributions in excess of \$65,304.92. • The PHA works with various groups representing low-income populations and strives to ensure accessible housing to all persons. It also specifies the actions taken by the Shasta County Housing Authority that helps child or adult victims of domestic violence, dating violence, sexual assault, or stalking.</p> <p>This information sheet was sent to all tenants and landlords participating in the HCV program in the fall of 2006. The amended policy states a family initially determined to be eligible will be placed on the wait list or in an applicant lottery pool, as indicated in a public notice. Because of limited HCV assistance, not all families in an applicant lottery pool may be selected for placement on the waiting list. The Housing Authority will indicate how many applicants from the applicant lottery pool will be placed on the wait list in its public notice. • Initial leasing of a unit in the PHA's jurisdiction by non-residents has been amended. The amended policy states if a family is determined eligible, receives a voucher and does not live or work in the Housing Authority jurisdiction the family must enter into an assistance lease within the Housing Authority jurisdiction for at least one year before the family is eligible to move to another Housing Authority. • The Shasta County Housing Authority (SCHA) amended a preference to the waiting list for Mainstream Vouchers. The new waiting list preference is for: Families who are disabled non-elderly, between the ages of 18-61, who provide a certification from an eligible organization, who are transitioning out of institution or other segregated settings, at serious risk of institutionalization, homeless (HUD definition), or at risk of becoming homeless. • The SCHA Administrative Plan was amended to include a preference for housing deficient families. The new waiting list preference states: Families that are referred from an eligible organization as being housing deficient. Housing deficient families are families who meet the HUD homeless definition. • SCHA to administer Homeownership Vouchers for FSS participants. The head of household must be a member of the Section 8 Family Self Sufficiency (FSS) program and participating in the development of an Individual Training and Service Plan, and meeting the obligations of their FSS contract. Or the family may be a former member of the FSS program who has successfully completed the program. The family will be required to meet all other obligations and pre-requirements of the Homeownership program. Elderly and disabled persons are exempt from the requirement to participate in the FSS program, but are not prohibited from participation. The SCHA does have one Homeownership Vouchers currently leased up. • Another amendment to the SCHA Administrative Plan is the addition of the Special Housing Type; Manufactured Homes. This allows the SCHA to administer manufactured homes space rentals for the HCV program. • Shared Housing was added to the SCHA Administrative Plan to allow the SCHA to administer Shared Housing. • Also the Administrative Plan was amended to allow the Housing Authority the option to administer Project Based Vouchers. During 2019, the Shasta County Housing Authority (SCHA) published a Request for Proposals (RFP) to award up to 182 Project Based Vouchers (PBV) units within the SCHA jurisdiction. The SCHA conditionally awarded 110 PBV to three different developers. The Shasta County Housing Authority Administrative Plan was amended March 5, 2019 and 5-Year Annual PHA Plan is being revised to include Project Based Vouchers. Amending the Administrative Plan, FY 19 PHA Plan and FY 15, 5 year PHA Annual Plan will bring the plans in compliance with the project-basing of vouchers. Also, the SCHA will notify HUD of its intent to project based base vouchers in accordance with PIH notice 2015-05. <p>All other PHA plan elements have been reviewed and the determination has been made that no other element of the PHA Plan has been revised since the PHA's prior plan submission in April 2014.</p>
